DISTRICT OF MASSACHUSETTS

MASSACHUSETTS PORT AUTHORITY,

Plaintiff,

v.

RLI CORPORATION and  
RLI INSURANCE COMPANY,

Defendants.

CIVIL ACTION  
NO. 05-10924-MLW

**JOINT MOTION TO CONTINUE DATE TO FILE DISMISSAL**

On October 21, 2005 counsel for the parties in this matter reported to the Court that the parties have reached a settlement in principle in this matter. By Order dated November 28, 2005, the Court directed that a stipulation of dismissal be filed by December 15, 2005.

The parties have sought in good faith to prepare a written agreement that accurately reflects the terms of their settlement in principal, but have not yet concluded a final, written settlement document. The parties believe that a written agreement is within reach and they respectfully request a continuance of one week, to December 22, 2005, to file a stipulation of dismissal.

Respectfully submitted,
